Certified Refurbished WVL-75 Semi-Automatic Stretch Wrapper

The WVL-75 is designed to meet the most cost-effective pallet wrapping applications. Users of the WVL-75 could experience significant savings, compared to hand-wrapping in the form of reduced film usage, better load securement and increased output. This product is ideal for low volume users in all industries.

Features

- Easy machine set-up for first time users
- Simple and easy control panel (pictured right)
- Fold down tower for ease of installation and transport

The detail of the product(s), descriptions or specifications (for example weight, color, size, etc.) are only approximate values based upon a "standard model" of the representative product(s)/feature(s). There may be slight variations in the actual product design, dimensions, and functionality as compared to the information shown on our website and/or any supplementary product documentation, including but not limited to product brochures and spec sheets.

BEST PACKAGING®

WHY WE'RE THE BEST

Since 1997, we have been consulting, designing and implementing packaging solutions to offer the best for your operations. We represent a variety of equipment manufacturers, so as to ensure we're matching the right solution for your packaging needs. We only align ourselves with quality brands to make sure we are delivering the best value. It is our goal to provide the highest quality service to make your job easier and more productive.

Over 150 years of industrial experience, collectively.

We represent multiple brands and our analysis is unbiased. We can match the best systems with your needs based on the versatility of the job.

With preventative maintenance, operator training, and 24/7 support, we're with you every step of the way!

Steve Kudia, Owner of Best Packaging, serves on the ASTM committee. As part of a prestigious worldwide network of technical experts, he aims to make sure processes stay efficient by monitoring trends and educating customers on how they can improve their performance.
