## MOSCA ROMP-4

### Standard Features

Mosca strapping systems are renowned for their use of advanced technology to simplify operation and maintenance requirements while achieving phenomenal levels of reliability. The ROMP-4 walk-up strapping machine has specific features to make quick work of bundling in fast-paced operations.

- DC brushless direct drive sealer eliminates all belts, chains, pulleys, sprockets, clutches and brakes. The number of components, their related spare parts costs and maintenance time are drastically reduced. Machine productivity is correspondingly increased.
- Dual access to strap coil dispenser for coil loading, and push-button strap threading simplifies coil changes to make it fast and convenient. Door for coil replacement opens on machine side-right or machine front; side dispenser pulls out on sliding rack for operator ease and convenience.
- Interlocked, hinged tabletop allows for fast, safe access to the sealer for cleaning or troubleshooting.
- The precision single-piece strap track provides positive control and exceptionally reliable feeding of low-cost polypropylene strapping in widths of 5mm to 12mm.

### Technical Data

**Production Rate:** Up to 40 straps per minute depending upon package size and track dimensions.

**Strapping:** 5mm, 6mm, 8mm, 9mm and 12mm Machine Grade Polypropylene.

**Electrical Requirements:** 110V/220V, 50/60 Hz, .5 KVA

**Air Requirements:** No requirement for standard machine. 4 CFM @ 90 psi with press option.

**Table Height:** Standard Frame: 32.25" - 36.5" (820mm - 925mm)

**Table:** Standard machine has stainless steel table top.

**Casters:** 2 fixed and 2 locking swivel casters.

**Strap Tension:** DC Motor-Controlled, infinitely adjustable up to 50 Lbs. standard and 80 Lbs. with optional high torque motor.

**Strap Seal:** Heat-Seal, Electronic Temperature Controlled

**Machine Color:** Mosca Blue RAL 5010

**Machine Shipping Weight:** Approximately 1000 Lbs.

**Options:**

- Pneumatic Press
- Table Top Photo Eye Switch
- Roller Table Top
- Ball Roller Table Top
