Certified Refurbished 3M® 700a Case Taper

The 700a is an adjustable case sealer manufactured by 3M for general and primary packaging applications. This durable stainless steel case taper seals uniform cases up to 30 per minute. It features a proprietary AccuGlide SST tape head that applies a 2 inch "C" clip to the top and bottom center seam. A height adjustment crank raises or lowers the taping head to adjust to box height and compression rollers position the top flaps of each box for uniform sealing.

Standard Features:

- Up to 30 packages per minute (PPM)
- Gearmotors provides power to the 4 drive belt which run at 78 feet per minute
- Stainless steel construction for use in corrosive and high moisture environments
- Adjustable top and bottom belt drive system for reliable conveyance of heavier or tall/light boxes
- Adjustable side guides position and align your boxes for quick and easy throughput
