Certified Refurbished BEL 250 Fully Automatic Case Taper

Certified Refurbished BEL 250 Fully Automatic Case Taper

WEXXAR BEL's BEL 250 Fully Automatic Case Taper is a heavy duty sealer for uniform cases. This machine is suitable for both semi-automatic hand pack lines as well as faster, fully automatic packaging lines. This machine utilizes Wexxar Bel's proprietary Snap Folders system to fold all the top flaps automatically without the use of rear flap kicking arms. Like all of our Wexxar Bel tapers, this machine features a DEKKA high performance tape head.

FEATURES

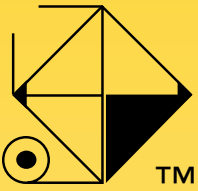

- Changeover tools: dual lead screws and pictoral guides
- Uni-drive belt system which is designed to reduce case skew and keep cases squarely sealed
- Small machine footprint and no need for guarding
- Open design for easier maintenance and tape roll changes
- Premium DEKKA SE-22 stainless steel tapehead

Specifications

	Length (Inches)	Width (Inches)	Height (Inches)

Infeed/Outfeed Height Maximum	25.75" (654 mm)		
Electrical Requirements	120V		

The detail of the product(s), descriptions or specifications (for example weight, color, size, etc.) are only approximate values based upon a "standard model" of the representative product(s)/feature(s). There may be slight variations in the actual product design, dimensions, and functionality as compared to the information shown on our website and/or any supplementary product documentation, including but not limited to product brochures and spec sheets.

BEST PACKAGING®

WHY WE'RE THE BEST

Since 1997, we have been consulting, designing and implementing packaging solutions to offer the best for your operations. We represent a variety of equipment manufacturers, so as to ensure we're matching the right solution for your packaging needs. We only align ourselves with quality brands to make sure we are delivering the best value. It is our goal to provide the highest quality service to make your job easier and more productive.

Over 150 years of industrial experience, collectively.

We represent multiple brands and our analysis is unbiased. We can match the best systems with your needs based on the versatility of the job.

With preventative maintenance, operator training, and 24/7 support, we're with you every step of the way!

Steve Kudia, Owner of Best Packaging, serves on the ASTM committee. As part of a prestigious worldwide network of technical experts, he aims to make sure processes stay efficient by monitoring trends and educating customers on how they can improve their performance.
