Wulftec WRT-125 Rotary Stretchwrapper

The Wulftec WRT-125 is designed for optimal productivity, and to give businesses a competitive advantage in a fast-paced marketplace. Rotary arm models, compared to turntable models, are designed for increased flexibility and for unique load shapes or weights. The rotary arm rotates around a stationary load — a safe, highly effective way of wrapping very light, tall, heavy or unstable loads. Superior safety features are engineered into every Wulftec machine. Wulftec's exceptional performance characteristics ensure reliability, even in the harshest working conditions.

- Nema 4/12 control cabinets offer superior protection against water & dust, quick disconnect for easy and fast installation
- Variable rotary arm speed up to 15 mph
- 40-50 loads per hour
- Easy load positioning
- Unlimited load weight capacity

HEAVY-DUTY STRUCTURAL STEEL CONSTRUCTION

- More stable & secure than plastic
- Minimal risk of damage, even in the harshest environments
- Rock solid performance through high-impact loading

STATE-OF-THE-ART AC VARIABLE FREQUENCY DRIVES

- Saves valuable time & money
- Completely enclosed circuit with built-in alarm diagnostics
- Safe & reliable consistent performance
- Easy monitoring & adjusting
- Low maintenance motors

Specifications			
	Length	Width	Height
Maximum Load Size	58" / 1473 mm	58" / 1473 mm	80" / 2032 mm
Maximum Load Weight	Unlimited		
Overall System Dimensions	125 ½" / 3188 mm	128" / 3251 mm	131 ½" / 3340 mm
Shipping Weight	1,562 lbs / 708.5 kg		
Production Rate	40-50 loads per hour		
Controls	<ul style="list-style-type: none"> • Nema 4/12 control cabinet with quick disconnect • Top cover pause switch (splash-proof program) • Spiral up or spiral up/down switch • Autoheight sensing photoeye with on/off switch 		
Film Delivery System	<ul style="list-style-type: none"> • 20" RAPID-THREAD™ powered pre-stretch carriage • 50-300% pre-stretch • ½ HP AC motor with variable frequency drive for corner compensation 		
Rotary Arm Drive	<ul style="list-style-type: none"> • Double v-belt and pulley drive rotary arm • 15 RPM variable speed • ½ HP AC motor variable frequency drive 		
Structure	Heavy-duty structural steel construction		

20" RAPID-THREAD™ POWERED PRE-STRETCH CARRIAGE

- 50-300% pre-stretch ensures increased holding power, optimal film performance & savings
- Flexible wrapping patterns that can be preset for optimum load containment
- Even and constant film force applied to the load, including irregular shapes
- Separate up and down carriage speeds
- Separate top and bottom wrap selectors (0-9)
- Top cover pause switch for manual insertion of topsheet for splash protection

The detail of the product(s), descriptions or specifications (for example weight, color, size, etc.) are only approximate values based upon a "standard model" of the representative product(s)/feature(s). There may be slight variations in the actual product design, dimensions, and functionality as compared to the information shown on our website and/or any supplementary product documentation, including but not limited to product brochures and spec sheets.

BEST PACKAGING®

WHY

WE'RE THE BEST

Since 1997, we have been consulting, designing and implementing packaging solutions to offer the best for your operations. We represent a variety of equipment manufacturers, so as to ensure we're matching the right solution for your packaging needs. We only align ourselves with quality brands to make sure we are delivering the best value. It is our goal to provide the highest quality service to make your job easier and more productive.

Over 150 years of industrial experience, collectively.

We represent multiple brands and our analysis is unbiased. We can match the best systems with your needs based on the versatility of the job.

With preventative maintenance, operator training, and 24/7 support, we're with you every step of the way!

Steve Kudia, Owner of Best Packaging, serves on the ASTM committee. As part of a prestigious worldwide network of technical experts, he aims to make sure processes stay efficient by monitoring trends and educating customers on how they can improve their performance.

Equipment We Sell & Service

Stretch Wrappers

Shrink Wrappers

Tray and Case Loaders

Tray & Case Erectors

Corrugated Case Formers

Conveyors

Palletizers

Robotics

Strappers & Banders

Much, much more!
